

THE BEAST BOX CSA

A BADASS FOOD COLLABORATION
WITH SUCH AND SUCH FARM AND
BEAST BUTCHER & BLOCK

OH, HELLO THERE!

Welcome to The Beast Box CSA-- a food collaboration by Such and Such Farm and Beast Butcher & Block. The Beast Box is a combination of a CSA (Community Supported Agriculture) and a butcher box.

This is the perfect option for omnivore couples or families that love to cook and try new food while supporting local!

Each Beast Box member will receive 13 pick-ups (every other week May-October) that include fresh produce, meat, a local value added product and a featured local chefs' recipe to get you cookin'!

THE MEATS

At every pick-up, each member will receive 3-4 lbs of fresh meat straight from the butchery case at Beast Butcher & Block. You might get fresh cuts, smoked meats, deli cold cuts, sausage, even house made charcuterie!

Proteins include pork, beef, chicken and turkey. If you're down for the meat sweats and some fresh meat, this is the box for you!

PRODUCE

All the fresh produce will be provided by Such and Such Farm. Each pick-up will have 7-9 items, totaling to 10-12 lbs of veggies. Members can expect fruits and vegetables that are harvested at the peak of the season and varies with seasonality. All produce is grown naturally, without synthetic chemicals or fertilizers. It's that good stuff!

LOCAL CHEF RECIPES

Every pick-up you'll also get a recipe from a featured St. Louis chef! Each recipe will use some of what's in the box. The best chefs in town will give you ideas on how to cook all that stuff!

ST. LOUIS SIDE PIECE

But wait, there's more! Along with the meat, produce and recipe, each pick-up we'll throw in one local value added product like pickles, jams, BBQ rub, honey, apple cider etc.

HERE'S AN EXAMPLE OF A POSSIBLE PICK-UP

- 1/2# shishito pepper
- 2# cucumbers
- 1# cherry tomatoes
- 1# yard long beans
- 1# tomatillos
- 2# peaches
- 2# heirloom tomatoes
- 1# creole spiced sliced turkey
- 1# boudin
- 1/2# house bacon
- 1# ground beef
- Blackberry Lemon Thyme Jam

Every pick-up will be different!

Meats and vegetables vary week to week (variety is the spice of life!)

Throughout the season we'll have what's called a "bumper crop." Which means that we have some vegetables that are producing overtime.

This is great if you want to try your hand at making homemade tomato sauce, home made kmichi or refrigerator dill pickles. During certain times of the year you'll be able to add on extra items from Such and Such Farm! Stuff like bumper produce, goat's milk, herbs, etc at an additional price.

Also, you can call in your order to the butcher shop ahead of time and pick-up meats, cheeses, house made items, etc when you pick-up your CSA.

PICK-UPS AND PERKS

Members will pick-up their Beast Box at **Beast Butcher & Block** in the Grove. Pick-ups will be held in the Skullery every other Wednesday from 5-8pm. You'll receive one large bag of produce and one bag with meat items and side piece.

The start date of the Beast Box is dependent on the weather and growing season. We'll shoot everybody an e-mail at least one week before the first pick-up.

We'll also send out a real slick newsletter prior to each bi-weekly pick-up. It'll have the list of the produce, meat, the side piece, the recipe and also an update from the farm.

If for some reason you aren't able to pick-up a certain week, it's cool. We get it. Life happens. But please try to get a family member or a friend to pick it up for you. We can't give refunds for Beast Boxes not picked up. But if you let us know ahead of time, we can hold it in the walk-in for you for one day. But you know...get here.

Just a reminder that we are a farm beholden to the weather and the seasons. Farmers make plans...nature laughs! We can't guarantee specific produce will be available at a specific time.

Members will also receive 10% off their food orders and 10% off butcher shop items on day of pick-up. We're also planning some dinner events that members will have special access to (COVID-19 depending)

St. Louis, MO 63110

SIGN UP FORM

If you are ready to be a member of The Beast Box and become super best friends with Such and Such Farm, fill out the form below! By filling out this form /sending in your deposit you are agreeing to:

- 1) Receive 13 bi-weekly pickups of sustainably grown produce, high quality meat and a local value added product.
- 2) If you cannot be present at a pickup, you will send a proxy to pick-up for you (bonus points if it's some sort of Boston Dynamics robot) or make arrangements otherwise as boxes not picked up will not be refunded.
- 3) Send in a non-refundable deposit to secure your membership, with the remaining fee due at time of the first pick-up.
- 4) Unfortunately we cannot allow for any substitutions. However, if you have a dietary or allergy restriction, please let us know ahead of time and will do our best to accommodate!

You can sign up through our online store **(credit card fees apply)**:
